MAKE YOUR GUESS

Some Interesting Election Figures of the Past.

Popular and Electoral Vote on President Since 1860.

HOW KANSAS VOTES.

Two Years Ago Hoch Had Only 2,000 Plurality.

Detailed Vote as Cast in Shawnee County.

This is the time when every citizen of the country has an inalienable right to make his election guess. It is free. You can guess as many times as you like.

In order that everybody may guess right, and there may be no difference of opinion as to the probable outcome, the State Journal herewith prints some guides to good guessers. By studying these figures carefully, thinking accurately, and using a little superhuman foresight, you can easily arrive at the correct answer to the election puzzle.

The first lesson relates to the electoral and popular vote cast for the two leading candidates for president in each presidential campaign from the time of Abraham Lincoln down to date:

	Pop.	Elect.	Pop.	Elect.
Abraham Lincoln	1,860,262	214	1,860,262	214
J. C. Breckinridge	1,552,931	155	1,552,931	155
George B. McClellan	2,214,363	23	2,214,363	23
Ulysses S. Grant	2,017,097	219	2,017,097	219
R. B. Hayes	2,144,385	23	2,144,385	23
Samuel J. Tilden	2,554,000	25	2,554,000	25
James A. Garfield	2,144,385	23	2,144,385	23
W. S. Hancock	2,144,385	23	2,144,385	23

Grover Cleveland	2,144,385	23	2,144,385	23
William McKinley	2,144,385	23	2,144,385	23
William McKinley	2,144,385	23	2,144,385	23
William McKinley	2,144,385	23	2,144,385	23
Theodore Roosevelt	2,144,385	23	2,144,385	23
Alton B. Parker	2,144,385	23	2,144,385	23

The second lesson is like unto it, and shows the popular vote in each state cast for Roosevelt and Parker in 1904. It might be mentioned in addition that the following were also runs:

Swallow, Prohibitionist, 258,550; Debs, Socialist, 492,159; Corrigan, Socialist Labor, 33,622; Watson, Populist, 113,259.

On Roosevelt and Parker the vote by states follows:

KANSAS FIGURES.
Two years ago the vote for governor in Kansas was as follows: Hoch, (Rep.) 152,147; Harris, (Dem.) 150,024; Alhambra, (Soc.) 7,621; Cook, (Pro.) 4,453; Keefe, (Pop.) 1,131. The small majority for Hoch was due to the certain unusual conditions, and the normal Republican strength was shown better on the vote for secretary of state, which was as follows:

Denton, (Rep.) 163,671; Alhambra, (Soc.) 1,131.

When interviewed on the matter, John Jones of the county jail denied the story told by the farmers. He said: "I did not come in when the farmers arrived at the jail but later I entered the office of the sheriff. He was talking to the farmers about the matter. He informed them that it would be necessary to get out a warrant for the arrest of the hunter. The five boys arrested were Elmer King, Tomer Mance, Vernon Brooks, Alton Jones and Melan Mitler.

Voters Urged to Work and Vote on Election Day.

All law and order, and good government citizens, are most strenuously urged to give part of all of their time on election day, November 3, to seeing that every vote that favors a continuance of law and order, as faithfully entered by our present efficient and uncompromising officers, John J. Schenck, county attorney, and John M. Wilkerson, sheriff, is cast for them.

It is of the highest importance that this be done, as the lawless element and their sympathizers are, and will be vigilant and alert, with slush contribution from the law violators, to defeat these splendid officials. Eternal vigilance is the price of righteousness.

MRS. NATION ABROAD.

She Will Sail for Scotland on November 21st.

Carrie Nation will sail November 21st via the Anchor line from New York city to Scotland where she has been invited by the new Scottish Prohibition party to conduct a campaign in the interest of the temperance movement. This is the announcement made by the Scottish Prohibitionist, the official Scotch paper printed at Dundee. The Scotch publication, in referring to Mrs. Nation's acceptance of the invitation to come to Scotland, says: "Carrie A. Nation, the able, enthusiastic and enterprising prohibitionist of America, and Kansas woman of hatchet wielding propensities, has consented to come here," etc. Sounds like the Scotch were well up on advance notices, doesn't it?

Mrs. Nation will open the campaign in the land of William Wallace with a speech at the S. P. P. bazaar at Dundee, thence she goes to Aberdeen, Glasgow, Edinburgh and finishes up in London.

Mrs. Nation spent Sunday in Topeka and stated that she would make the trip to Scotland alone, expecting to be gone about three months. She has bought a piece of residence property in Alpena Pass, Ark., where she expects to reside upon her return to America.

SEES LANDSLIDE.

Chairman Mack Says Bryan Will Sweep the Country.

He Claims Ohio by a Plurality of 26,138

New York, Nov. 2.—National Chairman Mack declared today that the vote tomorrow would show that Mr. Bryan has been elected by a landslide sweeping the country from the Atlantic to the Pacific coast. Mr. Mack said that Mr. Bryan and Mr. Chanler would carry this state by anywhere from 50,000 to 60,000 plurality, and that the vote for both these candidates would be about the same. A report of conditions in Ohio was received at headquarters today from National Committee member Garber who telegraphed the chairman that the Buckeye state estimates of county chairmen would give Mr. Bryan a plurality of 26,138.

For the first time during the campaign Mr. Mack turned his attention to the independence party today, and made an attack on Mr. Hearst's position in this campaign. He charged that Mr. Hearst had organized a party to defeat Mr. Bryan because of personal jealousy and a desire for revenge because Mr. Bryan had been elected.

Hearst in his presidential aspiration four years ago.

Mr. Mack will leave for Buffalo tonight where he will vote tomorrow morning and then return here to receive the election returns tomorrow night. Chairman Mack offered a reward of \$1,000 for information that would lead to the arrest and conviction of any party or parties engaged in the illegal use of money to influence voters at the polls tomorrow.

HIS PARTING SHOT

Chairman Henderson Martin Replies to Chairman Dolley.

Accuses Him of Adopting Questionable Campaign Methods.

Chairman Henderson Martin of the state Democratic committee was in Topeka today while Santa Fe train No. 5 waited for 25 minutes during the noon hour. He was shown the statement made by Chairman J. N. Dolley of the Republican state committee where he charges that the Democratic committee worked all day Sunday in sending out reports to the "dry" counties that Botkin is all right and to the wet counties the same kind of a report.

"Mr. Dolley has boasted that he has conducted a clean campaign," said Mr. Martin, "and yet this report is without the slightest ground for a foundation. There was not a member of the state central committee at state headquarters Sunday. I spoke at Oaage City Saturday night and was not at headquarters in Topeka during Sunday and did not leave my room at the hotel until nearly noon. Mr. Pepperell is in Concordia where he has been since the later part of last week. J. M. Lewis is at his home in Kinsley where he has been since Friday.

"There was no one at state Democratic headquarters Sunday excepting one of the stenographers, who spent the day there for the purpose of answering long distance telephone calls and receiving telegrams. These stories which Mr. Dolley imagines were sent out from Democratic headquarters are figments of his imagination or the result of had dreams caused by the near approach of election and the prospective results. Mr. Dolley knew that I was not at headquarters and that no work was being done there, or at any rate he could have satisfied himself on this point by calling over the telephone.

"The attack on Mr. Botkin is unfair, uncalculated for and an injustice which Mr. Dolley has made late in the campaign and could have been made but for the one purpose. The report relative to his position on the prohibition question is false, malicious and not in keeping with the 'clean' campaign about which Mr. Dolley has boasted so much during the past few weeks.

"State Democratic headquarters have been practically closed since Friday, our work was done on time and we are now awaiting the news of victory. We had no eleventh hour sensations that I was not at headquarters and that no work was being done there, or at any rate he could have satisfied himself on this point by calling over the telephone.
